## THE SILVERITE CATECHISM.

In Which Free Coinage Theories Are  
 Plainly Stated.

What is money? Something made out  
 of nothing by government.

Is there any limit to the amount of  
 money which government can make?  
 Only the capacity of the printing  
 presses of the country.

What kind of money is the best?  
 That which has the least value.

What does "cheap money" mean?  
 Money that will buy very little wealth.  
 Why are some people poor? Because  
 the money they get in exchange for  
 their products or their labor will buy a  
 large amount of goods.

How can the poor all be made rich?  
 By stamping 50 cents' worth of silver  
 "one dollar" and thus decreasing the  
 purchasing power of money.

What is a capitalist? A wicked sinner  
 who has worked hard and saved up a  
 little property.

What is a patriot? A man who covets  
 his neighbor's property and wants to  
 get hold of it by law.

What does "repudiation" mean? It is  
 a simple scheme for readjusting the  
 inequalities between the men who worked  
 and the men who have not.

What is the golden rule of the silver-  
 ites? Do others as they would not do  
 you.

What are we to understand by "hon-  
 esty" and "good faith between men?"  
 That creditors are to be cheated out of  
 one-half of their property whenever the  
 debtors control congress.

Why not benefit debtors still more by  
 repudiating all the claims of creditors?  
 That will come later. The public must  
 be educated into silverism by degrees.

What is a creditor? A fiend in human  
 shape who loaned 100 cent-dollars and  
 doesn't want to be paid in dollars worth  
 50 cents.

How will free silver help the farm-  
 ers? By causing the withdrawal of all  
 loans, paralysis of industry, stagnation  
 of commerce and idleness of millions of  
 workers who now buy farm products.

How will the sixteen to one scheme  
 benefit the working classes? By mak-  
 ing them pay twice as much for every-  
 thing they buy, while giving them little  
 or no increase in wages. It will also  
 confiscate half of their savings bank  
 deposits.

What is a silver mine owner? A good,  
 kind, unselfish citizen, who doesn't  
 want higher prices of silver so that he  
 will get rich, but simply because he  
 loves his fellow man.

Does his love for the workers lead  
 him to pay more than market rates for  
 his labor? Not much. Business and  
 sentiment are two different things. Be-  
 sides he doesn't have to.

What is a sound currency? Dollars  
 with 50 cents' worth of silver and 50  
 cents' worth of fiat or paper dollars all  
 fiat.

What is the chief duty of a good citi-  
 zen? To hate everybody who is indus-  
 trious and thrifty, and to meekly swal-  
 low all the nostrums of the cheap money  
 office seekers.

How can the people be made prosper-  
 ous? By setting class against class; dis-  
 couraging the investment of capital;  
 contracting the currency by ruining  
 employers, driving out gold and over-  
 throwing our sound financial system.—  
 Whidden Graham.

Dearest Not the Goal.

The silver men give away the case  
 when they say that free coinage will  
 "increase prices." The one universal  
 human interest is cheapness. The ideal  
 condition would be one wherein all de-  
 sirable things were produced without  
 any cost at all. Every advance toward  
 that condition—that is to say, every  
 cheapening of the necessities of life—is  
 a great gain for everybody. On the other  
 hand, every increase in the price of the  
 necessities of life is a direct and grievous  
 hurt to the people.

## POLITICAL GOSSIP.

The populist convention of Nebraska  
 nominated W. F. Porter for secretary  
 of state Wednesday.

The democratic state convention of  
 Missouri nominated Hon. Lon. V.  
 Stevens for governor by acclamation.  
 Judge Holte will receive the nomination  
 for lieutenant governor.

The sound money democrats of St.  
 Louis regularly opened their campaign  
 Wednesday evening. A well-attended  
 mass meeting was held at Chatworth  
 hall, presided over by Col James O.  
 Broadhead. Addresses were made by  
 Mr. E. C. Kehr, James L. Blair and Col.  
 Broadhead.

Maj. John F. Lacey was unanimously  
 elected Wednesday for another term in  
 congress by the republicans of the  
 Sixth Iowa district.

The New Hampshire prohibition con-  
 vention Wednesday nominated John C.  
 Berry for governor. Nominations for  
 the remaining officers were referred to  
 the state committee with full power.

A letter was received at Topeka,  
 Kan., from Garrett A. Hobart in which  
 he said he would be in Topeka at the  
 fall festival during the last week in  
 September. Gov. McKinley and W. J.  
 Bryan have already accepted invita-  
 tions to be present, and letters have  
 been sent to Arthur Sewall and Tom  
 Watson urging them to be there.

A Bryan club has been formed among  
 the union printers in Chicago.

The Rock Island county democratic  
 committee has made arrangements to  
 tender W. J. Bryan a great welcome  
 in the cities of Rock Island and Moline  
 next Saturday afternoon.

The Fifth Virginia district republic-  
 ans have nominated John R. Brown, of  
 Martinsville, for congress. The repub-  
 licans of the Second district split into  
 two conventions. One nominated Dr.  
 R. A. Wise, of Williamsburg, and the  
 other put up J. J. Deyer, of South-  
 ampton, for congress.

Mayor Pingree, of Detroit, was nomi-  
 nated by the republican state conven-  
 tion at Grand Rapids, Mich., for gov-  
 ernor on the fourth ballot.

The Nebraska state populist's con-  
 vention Thursday morning nominated  
 J. B. Mesery for treasurer, but left the  
 other of the two offices originally re-  
 quested by the democrats, that of at-  
 torney general, blank. Wm. Neville  
 and J. S. Kirkpatrick were nominated  
 for supreme court justices.

Hon. Thomas B. Reed was renomi-  
 nated for congress by the republicans  
 of the First Maine district.

At the national republican head-  
 quarters in New York it was said  
 Thursday morning that additional  
 prominent speakers had been secured  
 for the campaign. Among them are  
 ex-Gov. Pitkin, of Louisiana; Gen. O.  
 O. Howard and L. E. Fairchild. Ex-  
 Gov. Pitkin will begin his work in  
 Maine on August 22. No word has  
 come from Gen. Harrison as to when  
 his services will be at the disposal of  
 the national committee.

Charles A. Dana, in an editorial in  
 the New York Sun, Thursday morning,  
 bolts the Chicago nomination and says  
 he will vote for Wm. McKinley.

At Waterville, Me., the second dem-  
 ocratic state convention, called because  
 of the declination of Hon. Edward P.  
 Winslow to stand as a candidate for  
 governor, and the divided sentiment  
 on the silver question, was held Thurs-  
 day. Melvin P. Frank was nominated  
 on the first ballot.

Maj. Seofield was nominated for gov-  
 ernor by the Wisconsin republican  
 convention on the sixth ballot. Nomina-  
 tion made unanimous. The present  
 state officers, except governor, were  
 then renominated by acclamation and  
 the ticket completed.

ED. MORGAN,

Convicted Murderer of Little Ida Gaskill,  
 Taken to the Penitentiary.

OMAHA, Neb., Aug. 6.—Sheriff Mc-  
 Donald, and deputy Wednesday took  
 Edward Morgan, the convicted mur-  
 derer of little Ida Gaskill, to the peni-  
 tentiary at Lincoln. At the sheriff's  
 special request the fact that Morgan  
 was to be taken to Lincoln was not  
 mentioned in the papers, he fearing  
 that the spread of the news would  
 cause a crowd to collect either here or  
 in Lincoln.

George Hoover, the murderer of  
 Councilman Dubois, will be hanged  
 Friday morning. Morgan was to have  
 been hung at the same time but the  
 supreme court is now reviewing his  
 case, and the date will be changed.

Why Gen. Ochoando Returned to Spain.  
 MADRID, Aug. 6.—A dispatch to the  
 Imparcial from Havana says that Gen.  
 Ochoando, Captain General Weyler's  
 chief of staff, returned to Spain partly  
 because his health is not good and  
 partly on account of a sharp letter he  
 recently received from the home gov-  
 ernment.

The Canadian Team Won.  
 LONDON, Aug. 6.—In the competition  
 at Shoberyness under the auspices of  
 the National Artillery association  
 Wednesday, the queen's prize for gar-  
 rison artillery was won by the Cana-  
 dian team, who also secured the third  
 prize in the No. 2 garrison competition.

Charged With Poisoning His Wife.  
 ST. PAUL, Minn., Aug. 6.—Rev. J. C.  
 Hull, a prominent Methodist minister  
 of this city, was locked up in the Ducan  
 Street police station Wednesday eve-  
 ning, charged with administering poison  
 to his wife, who is in a very critical  
 condition.

Maj. Lothaire Acquitted.  
 BRUSSELS, Aug. 6.—The trial of Maj.  
 Lothaire, the officer of the Congo Free  
 State, who was accused of illegally  
 ordering the execution in Africa of the  
 English trader and ex-missionary,  
 Stokes, ended Thursday in his acquit-  
 tal.

Death of Mrs. Hicks-Lord.  
 NEW YORK, Aug. 6.—Mrs. Annette  
 Wilhelmnia Wilkens Hicks-Lord, one  
 of the best known figures in the social  
 world, died Wednesday night at her  
 home, No. 32 Washington square.

A New Orleans Bank Suspends.  
 NEW ORLEANS, Aug. 6.—The Ameri-  
 can national bank failed to open its  
 doors Thursday. The board of direc-  
 tors have decided to go into liquida-  
 tion.

## SPECULATION

As to the Sound Money Democ-  
 racy's Candidate.

Mr. Bynum Laughs at the Suggestion  
 That He Will Be Named.

The Men Most Talked of for President Are  
 Palmer, of Illinois; Mr. Carlisle and  
 Postmaster General Wilson—Buck-  
 ner's Chance for Vice President.

INDIANAPOLIS, Ind., Aug. 6.—The  
 joint committees of the Commercial  
 club and board of trade appointed for  
 the purpose of assisting to entertain  
 the provisional national committee of  
 the sound money democracy and to en-  
 deavor to persuade it to hold its Sep-  
 tember convention in this city, met  
 Wednesday afternoon to complete the  
 details of the arrangements. The mem-  
 bers of the sound money executive  
 committee are expected to arrive  
 Thursday afternoon, and a meet-  
 ing will be held Thursday night to  
 look over the correspondence and make  
 up the credentials of the members of  
 the national committee. A gathering  
 of the committee and a certainty that  
 it will call a national convention has  
 brought about considerable gossip as  
 to probable candidates. Mr. Bynum,  
 who has been mentioned for the presi-  
 dency, laughs at the suggestion and  
 says that his name is not to be consid-  
 ered. The most talked of are Gen.  
 Palmer, of Illinois; Mr. Carlisle and  
 Mr. Wilson, postmaster general. In  
 case Gen. Palmer or some other north-  
 ern man is made the nominee for pre-  
 sident, there is little doubt that Gen.  
 Buckner, of Kentucky, will be named  
 for vice president. His record as a  
 democrat is strong and clear and there  
 is a belief that his name on the ticket  
 would save Kentucky to the honest  
 money democracy.

The delegates to Friday's conference  
 of the provisional national committee  
 of the gold democrats which will hold  
 its first session at two p. m., began ar-  
 riving Thursday. The first to reach  
 the city were M. L. Crawford, of Dal-  
 las, Tex., and J. P. Smith, of Fort  
 Worth, Tex. They had scarcely regis-  
 tered at the Bates house before they  
 complained of the heat, which is ter-  
 rific, the thermometer at noon stand-  
 ing at 96 with scarcely a breath of air  
 stirring. The Texas delegates had lit-  
 tle to say of the proposed conference  
 but from their utterances it may be  
 said that they are not entirely in favor  
 of a gold convention.

Chicago's Hottest Day.

CHICAGO, Aug. 6.—Wednesday was  
 the hottest Chicago has seen this season,  
 and before the middle of the afternoon  
 the thermometer had reached 96, and be-  
 tween 15 and 20 people had been picked  
 up in the streets overcome by the heat.  
 Many of the cases were bad but none  
 necessarily fatal. Sickness is being  
 produced, and unless there is a speedy  
 change in the weather much trouble is  
 expected. Joseph B. Lapham, a well  
 known leading shoe findings dealer,  
 was the first to die from the heat. He  
 was conscious Tuesday and died Wed-  
 nesday from a paralytic stroke induced  
 by the warm weather.

A Hot Day in St. Louis.

ST. LOUIS, Aug. 6.—Wednesday was  
 another exceedingly hot day in St.  
 Louis. At 7 a. m. thermometers regis-  
 tered 85 degrees and at 5 p. m. 98 de-  
 grees was recorded. Sunstrokes are  
 less frequent, owing to the dry atmos-  
 phere. Five cases were treated at the  
 city dispensary. Thomas Hopewell,  
 residence unknown, was picked up at  
 the corner of Center and Market  
 streets and treated at the dispensary.  
 He died Wednesday evening. The  
 other cases are not serious. The local  
 weather forecast is for continued warm  
 weather until Thursday evening.

West Virginia Populist Convention.

PARKERSBURG, W. Va., Aug. 6.—At  
 the evening session of the populist  
 state convention, after a long debate,  
 the following state officers were nomi-  
 nated: Auditor, T. G. Miller, of Hunt-  
 ington; treasurer, I. R. Offner, of Bar-  
 borough; attorney general, I. H. Lynch,  
 of Spencer; superintendent of schools,  
 H. Z. Martin, of Summers county; su-  
 preme judge, A. W. Corlett, of Brax-  
 ton. The "middle of the road" men  
 are fighting against a resolution con-  
 ferring upon the executive committee  
 powers to fuse with the democrats.

Secretary Herbert's European Trip.

WASHINGTON, Aug. 6.—Secretary  
 Herbert reached Washington from his  
 Alabama trip at an early hour Wednes-  
 day morning. Passage has been en-  
 gaged on the American liner St. Louis,  
 August 13, for Secretary Herbert, his  
 private secretary and Miss Herbert,  
 and return passage on the Paris about  
 a month later. Rumors connecting  
 the secretary's trip to Europe with al-  
 leged matrimonial intentions are con-  
 tradicted.

An Elector to Resign.

ALLENTOWN, Pa., Aug. 6.—State  
 Chairman Wright Wednesday morning  
 received a letter from John B. Hick-  
 son, of Chester, who is on the state  
 ticket as a democratic elector, stating  
 that his views on the Chicago platform  
 are such as to preclude the idea of his  
 being on the ticket, and he will at the  
 proper time present his resignation.

Foraker Going to Europe.

CHICAGO, Aug. 6.—Great surprise was  
 manifested at the republican national  
 headquarters Wednesday afternoon by  
 the receipt of advices from Senator-  
 elect Foraker that he had arranged to  
 leave for Europe on the 19th and would  
 not be back for a month or more.

Wreck on the Norfolk and Western.

WAYNE, W. Va., Aug. 6.—A bad  
 freight wreck has just been reported  
 on the Norfolk & Western railroad at  
 Dunlow. One train was standing on  
 the main line when a west-bound  
 freight ran into it, demolishing almost  
 the entire train. No deaths.

Armenian Patriarch Resigns.

CONSTANTINOPLE, Aug. 6.—Matthew  
 Izmirlian, the Armenian patriarch, has  
 resigned, and the sultan has accepted  
 his resignation.

## MARIETTA WINS

The Fourth Game in the Championship  
 Series With Parkersburg.

Five hundred people witnessed the  
 Marietta-Parkersburg game Thursday  
 afternoon, the fourth of the so-called  
 championship series of six. The local  
 nine won easily, making their third  
 victory in the four games. The "root-  
 ers" were out in full force, but no in-  
 decent geying was indulged in. The  
 Marietta management having strictly  
 forbidden such tactics on the grounds.

The Parkersburg team was under  
 the management of Fred Coleman, Sig  
 Marcus being in Baltimore, presum-  
 ably trying to get the Orioles to come  
 over and don Parkersburg uniforms for  
 the remaining games with Marietta.

Taylor and Taylor were in the points  
 for the home team and Whissen and  
 Anderson for the visitors. Marietta  
 took the bat and started the game at a  
 rattling pace. Hutchins went out on a  
 fly to center and Shiers limped down to  
 first, being hit by a pitched ball. Mc-  
 Cammon met the sphere for a two bag-  
 ger and Williams followed with one of  
 the same color, Shiers and McCammon  
 both scoring earned runs. Parkers-  
 burg failed to score in the first and  
 both teams got goose eggs in the second.

In the third inning three singles by  
 Shiers, McCammon and Williams scored  
 two more earned runs for Marietta.  
 Hastings went to first and on around  
 to third on Marietta's errors and crossed  
 the plate on Williams single, making  
 the score 4 to 1.

In the next three innings the home  
 team secured a run in each, while the  
 visitors drew three blanks. O'Neal,  
 Parkersburg's right fielder, was taken  
 out in the sixth for poor playing and  
 McCone substituted. This led to a  
 rumpus in the Parkersburg team, dur-  
 ing which O'Neal called catcher Ander-  
 son a vile name, for which he should  
 not only have been removed from the  
 field, but fined for indecent language.

In the seventh inning Sam Taylor  
 sent a beautiful long drive out to the  
 fence for three bases and scored on a  
 wild throw to third. Jack Taylor  
 pounded the ball for two bases and  
 Hutchins did the same, adding  
 another earned run. Donavan, Park-  
 ersburg's left fielder, sent the sphere  
 over the fence in this inning for a  
 home run. Anderson singled, stole  
 second and came home on a wild throw  
 of Sam Taylor.

Neither team made a run in the  
 eighth and ninth and the game ended  
 9 to 3 in Marietta's favor.

Fielding errors were numerous on  
 both sides, neither nine being up to its  
 usual fielding average. Only 6 hits  
 were made off of Taylor's delivery and  
 he had 11 strike-outs to his credit.  
 Whissen was hit hard, the number of  
 base hits made off of him being 14,  
 only three of the Mariettas striking  
 out.

Reynolds and Donahue will be in the  
 points for Marietta today.

Your Boy Won't Live a Month.

So Mr. Gilman Brown, of 34 Mill St.,  
 South Gardner, Mass., was told by the  
 doctors. His son had Lung trouble,  
 following Typhoid Malaria, and he  
 spent three hundred and seventy-five  
 dollars with doctors, who finally gave  
 him up, saying: "Your boy won't live a  
 month." He tried Dr. King's New  
 Discovery and a few bottles restored  
 him to health and enabled him to go  
 to work a perfectly well man. He says  
 he owes his present good health to the  
 use of Dr. King's New Discovery, and  
 knows it to be the best in the world  
 for Lung trouble. Trial Bottles Free
